## MEMORIAL FOREST PROGRAM

Lower Thames Valley Conservation Foundation

*memories live on*

A tree will be planted as a dedication to your loved one in a Conservation Area of your choice (see back of card for choice of planting locations). Simply complete this card and mail it with your donation to the Lower Thames Valley Conservation Foundation.

A living tree is symbolic of the ongoing memories of your loved one. By planting a tree, you preserve these precious memories and encourage the preservation of nature for our future generations.

The Lower Thames Valley Conservation Foundation is an independent non-profit organization. We work in partnership with the communities of the lower Thames River valley and region for local conservation projects. Our Charitable Registration Number is:  
**89819 8171 RR0001**
